Howdy!
My name is Ella Hirsch, I am the Southern Region Venturing President. I will be a sophomore this fall at Virginia Tech but my home is in Boerne, Texas which is part of Alamo Area Council. I study animal sciences with hopes to go to Texas A&M and become a veterinarian. My team and I are very proud to serve the southern region this year and we have many goals to help continue to make SR the strongest and best region in the nation.

My main goals for this term are creating an awards and recognition systems to promote community service in our region. My second main goal is to create an interactive travel map so crews can visit other parts of the region and have connections when traveling or planning trips. I am super excited to serve my region this year, it is truly an honor. Please reach out to me for any questions or concerns on our region!
Hello! My name is Bain McHale and I am the new Region Vice President of Administration.

I will be going to Georgia Tech in the fall, and I am very excited to be working with passionate individuals from all across the Region! I hope to create methods to better educate Venturers about the various opportunities available to them, and what actions can be taken to build the foundation of their program."
Hi, my name is Samantha Hill and I’m your incoming Region VP of Program for the 2019-2020 year! I am from the Circle 10 Council in Area 2. I’ve been in Venturing for 5 years now and I’m currently working towards my Summit award. Fun Fact: you will never catch me wearing regular socks, I love wearing funky socks everywhere. I’m so glad to be on an officer this year and have the opportunity to serve Southern Region.
Hey folks, I am Connor Harling, the new VP Communications. I served in Area 7 last year. I am a junior in Environmental Science at Methodist University in NC. I am spending the summer staffing Sea Base. I am looking forward to helping Crews find resources to advance through ALPS. I am a Silver, Eagle, Summit. I am putting together a great Communications team to keep up with the news around the Southern Region.

Venturing Challenge
2020
Think back, when was the last time you were able to stop and say "WOAH that's pretty rad". You probably don't remember, so let's change that. If you're a Venturer, Crew, Council or even an Area: Come out to WOAH! 2020 on the Weekend of March 20-22nd, 2020 at Camp La-No-Che! We promise you'll say WOAH at least once. More information can be found at www.sr4venturing.org/woah-202
